60 years of excellence

DLF

The founder of DLF, Late Chaudhary Raghvendra Singh, was a visionary entrepreneur and a man with deep faith in himself and in the future of India. He started his career in 1946 as a contractor and soon established himself as one of the most respected builders in the country. He was a pioneer in the development of modern townships in India. He was also a leader in the field of industrial development. The many outstanding contributions made by him in the fields of industrial development and construction earned him numerous awards and honours.
